11. Under Section 8 of the Local Boards Regulation, every District Board shall so far as funds at its disposal permit and subject to such exceptions and conditions as may be imposed by Government provide for the administration and control, among other matters, of the establishment, management and maintenance of Travellers' Bungalows, Musafirkhanas etc.

12. As regards Travellers' Bungalows, Government have directed that the District Board shall maintain 3rd Class Travellers' Bungalows and as such it seems the District Boards should have power to frame bye-laws in the matter of the maintenance of these Bungalows. But under Section 38 of the Regulation, power to frame bye-laws is reserved as regards Musafirkhanas belonging to the District Board and not as regards Travellers' Bungalows. The circumstances under which Travellers' Bungalows have been omitted from the scope of the bye-laws are not clear. As the section stands, it seems that the District Boards have not got power to frame bye-laws in

regard to Travellers' Bungalows. It seems to be necessary to provide for this and also for Rest Houses in the Regulation under amendment.

13. Section 8 (c) provides for the control and administration of Travellers' Bungalows.

14. Under Section 38, caluse (a), Travellers' Bungalows are omitted and only Musafirkhanas are included. This may be a oversight, but the effect of Section 33 is that District Boards have no power to frame bye-laws or rules in respect of Travellers' Bungalows, though under Section 8 they may have power of control over them.

16. I agree with the above view. If the District Boards are given the powers to prescribe the fees, they will do away with the concession now enjoyed by officers of Government drawing a salary of Rs. 200 and under. This power may be taken away and the rule may remain as it is. Only a Notification need issue under Section 37 of the L.B. & V.P. Regulation investing the Presidents of District Boards with the powers and responsibilities of Deputy Commissioners under the rules in respect of 3rd Class Travellers' Bungalows.
